

Go Paperless and Improve Efficiency

Save Time and Simplify Your Work

At the end of a busy day, the last thing your pest control technicians want to do is drive back to the office to fill out or drop off paperwork. With Workwave Forms, having access anytime, from anywhere, to one of the most essential pieces of your technician's service process will undoubtedly save them time and you, double the work by eliminating unnecessary paperwork and expense.

While state forms may be mandatory and consistent from company to company, the ability to use and complete your own branded, customized forms can improve your professional appearance and set you apart from your competition. Professional looking proposals, sales contracts, and quality control forms can all be accomplished through one easy-to-use solution, accessible both in the office and in the field.

Create a **PAPERLESS ENVIRONMENT**

Increase the operational effectiveness of your technicians and office staff by reducing the work, expenses, and inconsistencies that manual processes for reporting and storing of customer information often require.

- Easily accessible from web or mobile for on-site completion and digital signatures
- Electronically email forms for hands-off notification and completion
- Integration with WorkWave software eliminates manual processes

Easy-to-Use **DIGITAL FORMS**

Use the forms builder to easily convert previously created forms to templates in the office. Once created, the templates can be immediately used by the technicians in the field.

- Save time with drag and drop form import
- Setup fields to pre-populate to reduce manual entry, setup calculations, designate areas for images, and more
- Manage all form templates through a centralized dashboard

Speed Time to **COMPLETE SERVICE ORDERS**

Stop wasting valuable time finding, filling out, and tracking forms. Create a proposal, get an e-signature, service the customer, and close the order; right at the customer's location. No extra paperwork, no service delay, and no office overhead.

- Access from mobile, tablet, or desktop; online or offline
- Easy navigation tools provide flexibility
- Simply select, fill, sign, and send/save the form
