HERE ARE MORE KEYS TO SUCCESS for your Medical & Recreational MARIJUANA BUSINESS

+ Attract Community Support

- Sponsor and host community outreach initiatives
- Actively solicit feedback from community leaders

+ Quickly Adjust to Changing Regulations

- Avoid fines and penalties by staying up-to-date on your state's legislation and remain compliant
- Retain a professional who has intimate knowledge of government policies and regulations

+ Market and Promote Your Product Clearly

- Explain your product's use and how it's unique
- Make sure your recreational marijuana price points and quality are competitive
- Be aware of state-by-state regulations when addressing your market
- Maintain focus on a core customer base of medical marijuana users over the age of 50

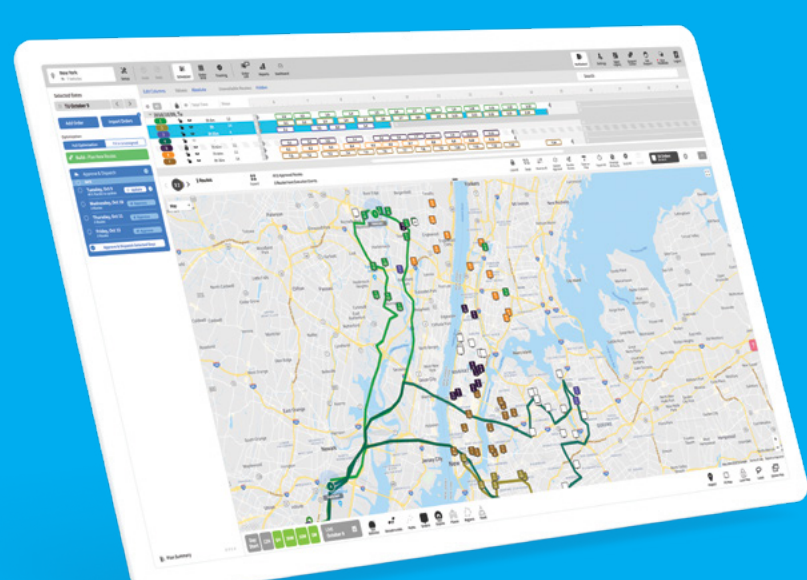

How can WorkWave ROUTE MANAGER help your marijuana business? Let's explain.

WorkWave Route Manager is cloud-based software

that provides an easy-to-use solution for professionals who are tasked with planning deliveries, pick-up, or drop-off services to a local customer base. WorkWave Route Manager creates efficiencies with an intuitive user interface that simulates routes within minutes with cloud-based algorithms, seamlessly integrates with any order generating system with flexible APIs, provides detailed reports with analytics dashboards, and more. Need to track your delivery drivers and vehicles? We offer tracking solutions too!

Our ultimate goal is to help planners reach their full potential and grow as their business' grow.
